SUMMARY

To bring a dynamic and versatile portfolio of skills and knowledge at work place and to serve the organization with positive attitude and efficiency.

EXPERIENCE

- **Factory Technician || Berger Jenson & Nicholson (Nepal) Pvt. Ltd.**
As a Factory Technician, I maintained and repaired machinery, conducted routine inspections, and ensured equipment efficiency. I performed troubleshooting, preventive maintenance, and collaborated with teams to optimize production and ensure safety. [2022 - 2024]
#Reference: Sanjay Matale +977 9811217856
- **Electrician || Networking || Bajarang Electronics Pvt.**
I gained experience in part-time house wiring, including installing electrical systems, troubleshooting faults, wiring outlets, switches, and ensuring compliance with safety standards. I worked efficiently to meet clients' needs and deadlines. [2020 - 2024]
#Reference: Naresh Sah +977 9806818946
- **Computer Operator || Math Teacher || Progress Education Academy**
As a Computer Operator, I managed data entry, maintained systems, and ensured smooth operation of software. As a Math Teacher, I taught various topics, developed lesson plans, and guided students to academic success. [2019 - 2020]
#Reference: Santa Ram Khanal +977 053-400020
- **Backend Web Developer || Laravel || BlueDot || Zoftpay**
As a remote Backend Web Developer, I designed and implemented server-side logic, managed databases, and integrated APIs. I optimized performance, ensured security, and collaborated with teams to deliver scalable web solutions. [2022 - 2022]
#Reference: Zoftpay.com +60 11-33005100
- **Enumerator || Data Entry || Local Level Government JS Metrocity**
As an Enumerator, I collected and verified data through surveys and interviews. In data entry, I accurately inputted information into systems, maintained records, and ensured data integrity for analysis and reporting. [2021 - 2022]
#Reference: Jeetpursimara Sub Metrocity +977 053-412173
